EAT FRESH, EAT LOCAL

Fresh, local, organic vegetables, eggs, yogurt & fruit!

We've organized a CSA that will bring fresh, organic vegetables from Crawford Organics Farm in East Earl, PA to our local community on a weekly basis! Sign up today!

What is a CSA? CSA stands for "Community Supported Agriculture" and refers to a system where people buy farm shares directly from the farmer and receive a weekly share of the harvest during the growing season.

How does it work? CSA members pay a lump sum fee at the beginning of the season and in turn receive fresh produce weekly at the designated CSA pick up location.

What kind of produce? Crawford Organics CSA shares include a wide variety of organically grown produce including lettuce, spinach, kale, broccoli, cabbage, carrots, cilantro, onions, peas, peppers, popcorn, potatoes, radishes, sweet potatoes, zuchinni, sweet corn, etc. A full list of harvest expectations can be found on their website.

Eggs & Yogurt are available as add-on shares.

Low Spray Fruit is also available as an add-on or standalone share.

What does it cost? A spring/summer share (May-August) share costs $594 (18 weeks) and a bi-weekly share is $297 (9 weeks). A mini size share costs $396 for weekly delivery and $198 for bi-weekly delivery.

*Addional discounts may apply. Additional seasons available.

-See website for details

How can I join? Visit our website www.crawfordorganics.com/signup or send an email to csa@crawfordorganics.com
